Cabinet colour	Warm Silver (10840)

## Product Highlights

### Black Line S picture tube

The Black Line S picture tube with its invar mask offers high contrast for natural colors and improved daytime viewing.

**Smart Picture** provides the option of selecting one of 5 preset positions (Rich, Natural, Soft, Personal, Multimedia) to enhance enjoyment of video games, sports and movies, also based upon the room lighting condition. By selecting the desired option, all the important picture elements are instantly adjusted to optimize viewing pleasure.

**Smart Sound** provides the option of selecting one of four preset positions (Theatre, Music, Voice, Personal) to suit each individual sound preference when viewing different programs or sources.

### Dolby Virtual

It allows you to enjoy the sensation of Dolby Prologic Sound with just 2 front speakers for materials encoded with Dolby Pro Logic or Dolby Surround. The processor simulates the surround field effect of a typical 5 speakers home cinema set up.

### Plug and Play

The ultimate ease of use feature for quick automatic searching, sorting (ATS/ACI) and storing of all the available channels.

### Program List

A key on the remote control enables the user to easily navigate through the list of installed programs for a quick overview of the channels installed on your television.

### Smart Lock

Can be used to block individual channel(s) by entering a unique digit code and it prevent children from accessing undesired program(s). A Lock-after feature is also present to allow you to lock the TV from a specified time. A simple Child Lock is also available to easily lock the entire TV.

### Twin Page Teletext

You can watch 2 pages of the Teletext page consecutively, display on 2 halves of the screen.

### Crystal Clear 3

A unique package of innovations, including Comb filter, Scavem, and Dynamic Contrast that gives natural colours, more contrast and a high level of details.
